Seldom do we see a home with style and openness that feels so good from the moment you walk through the gates. Every conceivable amenity for the good life is included allowing for full privacy to the street, fully renovated kitchen and bathrooms, high ceilings and gardens akin to parkland. Priced at no more than an ordinary home, here you have the added features of a very private swimming pool, powered shedding for the boat or tinkering, solar hot water and walks along the foreshore beach within 50 metres
